Hey Dale,
My name is Tiny. I'm a diver that recently enjoyed SEVERAL
trips to Florida's east coast for some of my BEST reef dives.
Most notable has been the Palm Beach area...the best sealife
and coral I've found since traveling there for my dive trips.
Granted the visibility isn't as great as my Cayman Island and
Bonaire adventures BUT we're talking about being able to afford
a weekend trip to the coast for the best our continent offers.
PLEASE don't allow beach extensions to intrude on these reefs.
They're natural and need to be preserved.
Sincerely,
John "Tiny" May
Chapel Hill, TN
